Design Aldo Bakker
Year 2015

Aldo Bakker

The work of Dutch artist and designer Aldo Bakker has a delicate and rare sense of harmony and the shapes communicate through colour, association, touch, texture, and materiality. His designs are exquisitely balanced, often strange, yet strangely familiar. Timeless, sculptural and always intended to trigger a response. Widely published and exhibited, Aldo Bakker continues selected collaborations with renown manufacturers while further completing his personal collection with master craftsmen and galleries around the world.

A single sheet of steel rolled in one smooth motion into a self-supporting construction. Aldo Bakker's exquisite sense of merging colour, material and form has come into play to create an occasional table with an effortlessly sculptural appeal.
