146 COTONE HIGH SOFA

Cataloghi I **Contemporanei**

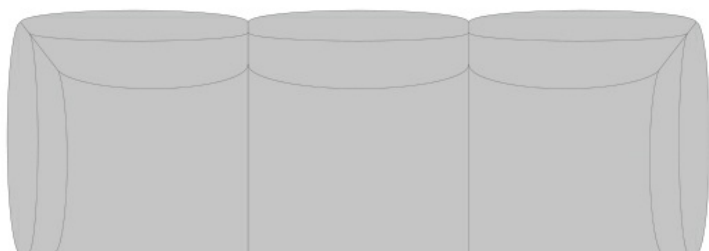

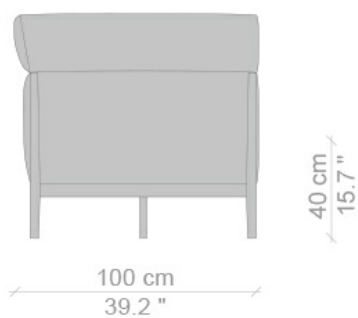

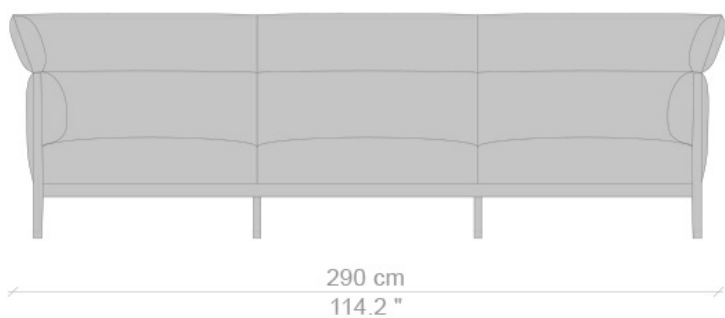

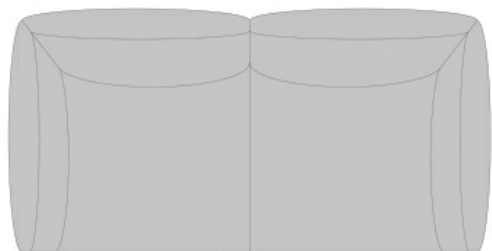

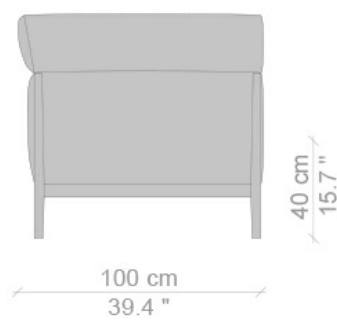

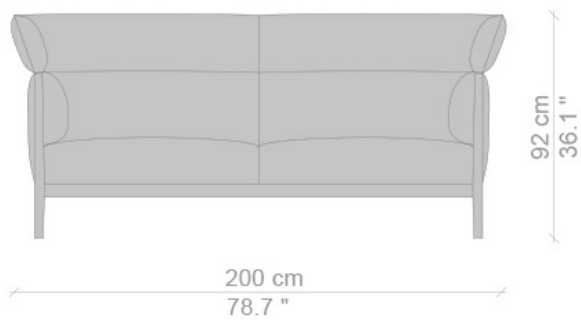

Anno di produzione **2019**

La famiglia *Cotone* si espande con un nuovo divano accogliente caratterizzato dalla stessa distintiva struttura in alluminio estruso disponibile in quattro colori: grigio-blu, rosso, champagne e grafite. La struttura, apparentemente semplice per il suo aspetto minimale, nasconde invece una composizione interna industrialmente sofisticata. In contrasto, l'imbottitura soffice dei cuscini crea un nido invitante che richiama il relax. La combinazione libera tra i colori della struttura e l'ampia scelta di rivestimenti in pelle o in tessuto, permette di costruire un divano contemporaneo in grado di rispondere a tutti i gusti. Disponibile in un'elegante versione modulare con lo schienale basso oltre che in una versione a un due o tre posti con lo schienale alto e accogliente che, grazie a un meccanismo interno al bracciolo, permette un movimento dei suoi cuscini laterali rendendolo ancora più comodo. Completa la proposta una poltrona in misura unica che si abbina perfettamente a tutti e due i modelli.
