140 COTONE SLIM

Anno di progettazione 2017 / 2018

Il comfort di una poltrona per una poltroncina da tavolo, un elegante invito alla seduta e al relax da oggi proposto anche in versione Slim. Gli autori si ispirano ai grandi classici di Cassina, definiti da uno scheletro portante che esemplifica la capacità dell'azienda nella produzione di modelli di grande raffinatezza espressiva. Il design si distingue per il contrasto deciso tra la linea minimale e rigorosa della struttura, realizzata in alluminio con profili estrusi concepiti appositamente per il modello, e la forma morbida e accogliente della seduta. La struttura è proposta in differenti versioni di alluminio mentre l'imbottitura interna in poliuretano espanso è rivestita in pelle o tessuto ma priva del trapuntino in piuma.
